

MONEY MARKET ACCOUNT

Money market accounts are another great way to save for your future. Earn a higher rate as you increase your balance. A money market account is tiered to provide a competitive money market rate of interest. This account works well if you have idle funds that you wish to keep liquid.

MONEY MARKET ACCOUNT BENEFIT SUMMARY

EARNS INTEREST

Our money market account allows you to save for your future while compounding interest monthly. Contact one of our local bankers to inquire about our current interest rates.

COMPETITIVE TIERED RATES

The money market account earns interest on your balance. The best part is it earns a higher rate of interest as you increase your balance. Simply put, the more money kept in the account, the more interest the account earns.

MONTHLY WITHDRAWALS

Money market accounts are liquid and allows for 2 withdrawals a month. Each withdrawal thereafter is \$2.00.

NO MONTHLY MAINTENANCE FEE

Our money market account has no monthly maintenance fee if a daily balance of \$2,500.00 is maintained. A \$12.00 fee will be assessed to the account if the balance drops below \$2,500.00.

NO FIXED TERM

Our Money market savings account gives you the best rate and no term, so you can save more without being locked in to a certificate of deposit term.

WILL NOT LOSE MONEY

A 1st National Bank money market account will not lose money. The rate of savings is always positive, variable, and dependent on market rate. Our money market accounts are FDIC insured.

ONLINE & APP BANKING

Our online banking and mobile banking make it easy for you to bank on the go. Our features include checking account balances, transferring funds, and even paying bills online..
